

SHARP GEOMETRY

An excellent eye-catching piece for your living space, Fabbian's Amulette Suspension Lamp, designed by Bernhardt & Vella, comes in an extra-clear glass sheet set in a golden or black satin-finish metal frame. Its design is minimal and ultra contemporary.

Set it up

Alankaram's Stiga TV Lift/Console with an in-built motorised TV lift that makes the TV disappear with a click of a button is quite handy. The table top can be modified to be used as a server or a bar counter. The cute front drawers are ideal for storing both cutlery or vintage wine bottles. You pick! alankaram.in

Show Stealer

Making the fauna the star of the show, this velvet magazine basket with a pretty, appliquéd beetle is crafted in faux green leather. The raised body of the beetle adds dimension to its rose-gold threaded legs.

PLAY OF CONTRASTS

The applique lamp Papillon, designed by Bernhardt & Vella for Arflex is fascinating. The lamp plays with transparencies, colours and geometric shapes. The two LED strips are integrated in the central beam with a golden finish that supports the two coloured glasses! arflex.it

SMOOTH BEGINNINGS

Formitalia blends Aston Martin design cues to create this incredibly elegant V240 dining table. The table has a tubular metal structure with a matt black finish, a champagne coloured brushed terminal, and an elegant top made of white Carrara marble. formitalia.it

Plus one

Meet Riva 1920's All Around Stool, designed by Marco Piva. This beautiful piece is made from a single block of scented cedar, featuring almost archaic essential forms. Check it out now! riva1920.it

Bird's eye view

There's every reason for you to welcome spring with this unique flock of designer rugs from the

Feathers collection by CC-Tapis. Designer Maarten De Ceulaer took inspiration from our feathered friends to conjure this vibrant set of plumage by using fine Himalayan wool and weaving it into an intricate Tibetan hand knotted rug collection. Available at Sources Unlimited. (sourcesunlimited.co.in)

Get cosy

Zoom back to the fifties in this 2021 Zanette Hood armchair from designer Francesc Rifé. Its horseshoe shaped structure renders it ideal for that reading bay nook or as additional seating in your bedroom. Its snuggle time, folks! (zanette.it)

Table art

Literally using the table top as an art canvas, the Boyali Centre Table from Alankaram creates a mini artwork for your living space. The striking hand printing on the top is complemented by the solid wood base, and can be customised according to personal choice. (alankaram.in)

Look no further

If upping your interiors is on the cards, no better way than to bring home an Italian vintage mirror. Hand painted in gold, these ornately crafted mirrors from the Great Eastern Home are delicately embellished with decorative motives and carved out of brass, bronze and wood.
